Please, when answering the following questions, give some thought to your answers. We need responsible individuals that can work during the spring, summer and fall. We understand that everyone's schedule varies (whether it be after-school activities, college commitments, etc.) and that some of you may not be available to work all season. However, if you indicate that you are available, please stay committed to that schedule. Remember, you are part of a TEAM! It is very difficult for 20 employees to shuffle their busy schedules around because you could not commit. In addition, please keep me posted regarding any family vacations, sports, camps, etc., those things that may conflict with you schedule, so that I may plan accordingly. Lastly, it is required that you be available to work holiday weekends. (UNLESS AMPLE NOTICE IS GIVEN!!!)
